How to use

New concept cosmetics-The filler effect at home

Instead of using expensive anti-aging products or undergoing fillers, the same effects can be achieved easily at home with Micro needle patch Roller.

Product intro

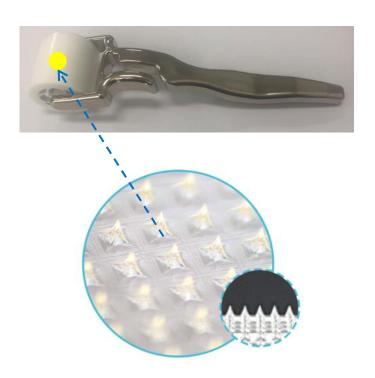

Micro needle patch Roller manufactured with 100% HA components.

It is easy to use at home without side effects and has excellent effects on skin improvement and wrinkles.

DMS Technology

Our DMS (Dissolving Micro Structure) Technology was developed by applying the latest "Drug Delivery System" in the form of a patch. Hundreds of needle-shaped microstructures in a narrow area are made of 100% hyaluronic acid without any chemical or additive and functional cosmetic ingredients can be added if necessary.

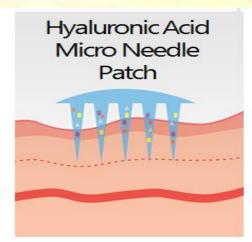

One roll will make you beautiful!
